How to make Granules!

Ingredients

- 1/4 cup of flour
- 1/16 cup of salt
- 1/8 cup of water
- 3 to 5 drops of food colouring

Instructions

1. Mix together the flour and the salt.
2. Mix together 1/8 cup of water with a few drops of food colouring.
3. Slowly pour the water into the flour mixture, stirring as you pour. Stir until combined, then knead with your hands until the flour is completely absorbed. If the dough is too sticky, add more flour until it doesn’t stick at all.
