ANAEROBE 2021: THE MICROBIOTA AND BEYOND

Technical specifications and guidelines

Please send your completed assets to:

Savannah Knight-Law S.Knight-Law@microbiologysociety.org

The very last date we will be able to receive your assets is 26 June 2021.

Please contact us should you anticipate any issues.

Digital booths

Your space will be set up by the Conference and Events team at the Microbiology Society. All sponsors will have an opportunity to review their page prior to the Conference.

Access to the Focused Meeting

Delegates can access the Conference via the mobile and/or web platform. Please note, some functionality on the mobile app is user initiated and beyond the control of the Microbiology Society. The Society, however, will remind delegates of the functionality available to help delegates optimise the Conference experience.

Availability of content post-Conference

Sponsor content will be available for one month after the Conference, after which it will be deleted. Delegates will be able to access sponsor content on the web app during that month, using their Conference sign in details.

Contact details

If you have any questions about the Conference or this document please do not hesitate to contact exhibitions@microbiologysociety.org.
