

MICROBIOLOGY
SOCIETY

Join us – find out what membership of the Microbiology Society could do for you:

1. Stand out from the crowd: build your professional profile and presence amongst future employers, partners and funders to advance your career and enhance your job prospects.
2. Attend our Annual Conference: see great science and hear great speakers at preferential rates.
3. Apply for a grant or attend a networking event: unlock a wide range of travel, research and skills development opportunities.
4. Explore the wider microbiology community: reach out to other members through the Members' Directory.
5. Discover new opportunities: join the Early Career Microbiologists' (ECM) Forum and help shape our work, win prizes and awards to achieve career recognition.
