

ANNUAL CONFERENCE | 2024

Bringing together the **microbiology** community

Monday 8 April Programme

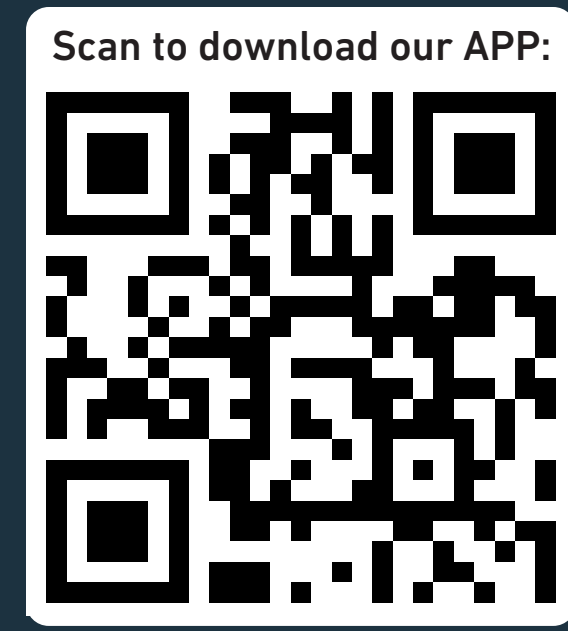

First time at Conference? Join us for a tour of the venue from 1pm, starting by the registration desk

	Level 3, room:			Level 0, room:			Level -1, room:		Level -2, room:		
	Pentland Auditorium	Fintry	Sidlaw	Tinto	Moorfoot	Kilsyth	Menteith	Lowther	Lammermuir	Moffatt	
1:00pm											
1:15pm				Refreshments + Exhibition (Lennox Suite + Cromdale Hall, Level -2)							
1:30pm				Refreshments + Exhibition (Lennox Suite + Cromdale Hall, Level -2)						ERC Grant Writing: How to Apply for Your Next ERC Grant	
1:45pm				Refreshments + Exhibition (Lennox Suite + Cromdale Hall, Level -2)							
2:00pm	Celebration of Virology	Microbes as Sentinels and Solutions in a Changing World	Single Cell Omics	Environmental & Applied Microbiology Forum		Therapeutics: The Use of Bacteriophage, Viruses, and Viral Components		Microbiota-Immune System and Vaccine Interplay	Careers Session: Transitions: Career Paths Outside of Academia		
2:15pm											
2:30pm

ANNUAL CONFERENCE | 2024

Bringing together the **microbiology** community

Tuesday 9 April Programme

	Level 3, room:			Level 0, room:			Level -1, room:		Level -2, room:		
	Pentland Auditorium	Fintry	Sidlaw	Tinto	Moorfoot	Kilsyth	Menteith	Lowther	Lammermuir	Moffatt	
8:45am											
9:00am	Microbiology Society Prize Medal 2024: David Holden				Video Relay: Microbiology Society Prize Medal 2024: David Holden						
9:15am											
9:30am											
9:45am				Coffee Break (Lennox Suite + Cromdale Hall, Level -2)						Governance Opportunities: Intro to Governance: Getting involved with Committees and Council	Get Involved Drop-In
10:00am											
10:15am	Celebration of Virology	Small Talk: Mechanisms of Sensing and Signalling at the Host-Microbe and Microbe-Microbe Interface	Understanding Phenotypes in the Omics Era	Environmental and Applied Microbiology Forum		Therapeutics: The Use of Bacteriophage, Viruses, and Viral Components		Microbes as Sentinels and Solutions in a Changing World	Navigating the Future of Antimicrobial Resistance: Innovative Strategies in Diagnostics and Surveillance		
10:30am											
10:45am											
11:00am											
11:15am											
11:30am											
11:45am											
12:00pm											
12:15pm											
12:30pm											
12:45pm											
1:00pm				Lunch + Exhibition (Lennox Suite + Cromdale Hall, Level -2)						Cultivating Diversity: Practical Ways to Make Microbiology More Inclusive	Get Involved Drop-In
1:15pm											
1:30pm											
1:45pm											
2:00pm				Poster Block A (Lennox Suite + Cromdale Hall, Level -2)							
2:15pm											
2:30pm											
2:45pm											
3:00pm	Infection Forum	Small Talk: Mechanisms of Sensing and Signalling at the Host-Microbe and Microbe-Microbe Interface	Understanding Phenotypes in the Omics Era	Exploring the Skin Microbiome in Health and Disease	Virus Workshop: Viral Interactions With the Host Organism and Implications for Pathogenesis	Virus Workshop: Translating Knowledge - Understanding and Preventing Disease	Virus Workshop: Viruses: Molecular Machines to Understand Cellular Processes	Virus Workshop: Molecular Basis of the Host:Pathogen Interaction
