

MEMBERSHIP GIVES YOU:

- Eligibility to apply for Microbiology Society and Federation of European Microbiological Societies grants.
- 30% off article processing charges when submitting to the Society's publishing portfolio (if not already covered by your institution's **Publish and Read** deal).
- Discounted registration for Society events.
- Access to the members' online area, **Mi Society**, with resources, recorded events content, how-to guides, *Microbiology Today* online and special offers.
- Opportunities to get involved in our Committees, Panels and Divisions.
